MultiLine W 250

MultiLine

Automatic Screen Washing,
Decoating and Developing System

The MultiLine was designed for *high flexibility* and
a greater expandability in all aspects.

Various modification options expand the range of use *easily*.

Closed chamber systems constructed as a *single system* "stand-alone"
or as a *multi chamber system*.

Multi chamber system optional with a *side by side arrangement* or as an
inline system with the chambers succession.

Unchanging standard module guarantee *high quality* for
all our MultiLines.

All units are made of highgrade rust free *stainless steel* 1.4301.
