

ValueJet 628

Smart Printing Equals Value

Eco-Ultra Printer

The applications are limitless with Mutoh's ValueJet 628 printer. At just 24 inches (610mm) wide, the VJ 628 fits into any size print shop. You can easily and efficiently create a variety of applications including stickers, decals, banners, indoor and outdoor signage. You can even print directly onto Eco-solvent transfer paper to create custom t-shirts and apparel. The printer fits easily onto a table or optional stand for your use. With a low price point and perfect size, the VJ 628 is the best option for anyone entering the wide-format marketplace or wanting to expand their applications.
